

should be no adjustment of the Niagara Falls mediation before it is made of all of the questions before it. The conference between the American delegates and the mediators did not end until nearly midnight. At its close Justice Lamar said: "No conclusions were reached; we will resume our conferences on Monday morning."

It was understood that the American delegates laid before the mediators their views on Constitutional representation in the mediation.

WANT WHOLE PROBLEM CLEARED BY MEDIATORS

Washington, May 30.—Every indication in Washington to-night pointed to prolongation of Mexican mediation negotiations at Niagara Falls. It is known the Washington government desires the Mexican Constitutionalists represented in the proceedings pending for peace. The view of the administration is said to be that terms of peace for Mexico which will not be permanent peace, are useless.

Administration leaders, cognizant of this view, to-night reiterated confidence that the mediation conference would not adjourn until the pathway to an adjustment of the whole Mexican problem had been cleared.

After the mediators to-day had accepted the message from General Carranza, chief of the Constitutionalists, carried to Niagara by Juan Uribe, it was reported that the Huerta delegates had decided they would abide by any decisions as to receiving the Carranza delegates in the conference.

This, with the fact that the Washington government was desirous that the Constitutionalists be represented, was taken to indicate there might be a broadening of the scope of the conference before the signing of any protocol which would lead to a permanent government for Mexico in substitution for the Huerta regime.

Constitutionalist representatives in Washington asserted that nothing had come from General Carranza since the delivery of his message to the mediators. They, however, insisted that any plan for a provisional government which did not recognize the strength of their forces would not be agreed to, and further maintained that Constitutional participation in mediation would not be a permanent solution of an armistice in the military movement against Huerta.

At the Navy Department to-day the arrival of the German steamer Epi-ranga at Vera Cruz, after the reported discharge of her cargo of arms for Huerta at Puerto Mexico, was regarded with significance.

FOREIGN CONSULS APPEAL FOR RELIEF OF CONDITIONS

On Board U. S. (California, Mazatlan, Mexico, May 30 (via Wireless).—The French consul at Mazatlan, speaking for the foreign consuls at this port, has appealed to Admiral Howard, of the American fleet, for an alleviation of conditions in the city. He recommended that steps be taken to relieve the starvation which is menacing the population as a result of the long siege, and that a stop be put to the killing of non-combatants.

Officers of the cruiser Albany, who landed at Arista to-day to investigate the case of "El Smith," found him confined in jail. They reported that he was at liberty. Admiral Howard received a telegram to-day from the cruiser Chittanogwa, stating that the vessel had sailed from Salina Cruz northward, and that the Chittanogwa was accompanying the Huerta warship.

STREETS OF HERMOSILLO SCENE OF SHARP FIGHTING

Nogales, Ariz., May 30.—Fighting to-day in the streets of Hermosillo, capital of the State of Sonora, Mexico, between Constitutionalists and supporters of Civil Governor Maytorena was reported in brief messages received here. Yaqui Indians were said to be aiding the forces of Maytorena.

The Yaquis, according to the advice received here, declared they would fight for Maytorena, and the Constitutionalists, and allied themselves with Maytorena, accused by the Huerta sympathizers, of having protected Huerta sympathizers. Constitutional troops in Cananea and Nogales, Sonora, were ordered to Hermosillo last night. Antonio Gonzalez, prefect of Nogales, Sonora, is in jail, charged with having protected Mexican Federalists.

For Release of Merchandise.

Mexico City, May 30.—Secretary of State Bryan sent a cablegram to the Brazilian minister here to-day in reply to the minister's request for the release of merchandise in the customs house at Vera Cruz for re-entry at Puerto Mexico. Mr. Bryan said the release could be obtained by the deposit of customs duties, in accordance with the Mexican law, the duties to be held as guarantee for the payment of the interest on the 5 per cent consolidated debt.

The Secretary of State at the same time gave permission for the release of 200 bales of steel bars to be sent to the government, without the payment of duty. The bars are in the Vera Cruz customs house.

Confer on Proposals.

Mexico City, May 30.—President Huerta, General Blanquet, Minister of War, and Antonio de la Lanza, Minister of Finance, met to-day to confer on the proposals submitted by Mexican delegates at the Niagara Falls peace conference. No official statement was given out, but the Acting Foreign Minister, Esteva Ruiz, said the conference is making good progress.

HOTTEST IN FORTY YEARS

Temperature in Montgomery Reaches 93.3 Degrees.

Montgomery, Ala., May 30.—To-day has been the hottest since the establishment of the local Weather Bureau, forty years ago. The temperature reached 93.3 degrees. In 1875 and again in 1911 the thermometers registered 93 degrees during May. No heat pro- nouncements were reported.

Reaches 100 Degrees.

Troy, Ala., May 30.—At 2:30 o'clock this afternoon the temperature in this city reached 100 degrees, the hottest for May in the history of the local Weather Bureau. A light shower at 4 o'clock this afternoon brought temporary relief.

DEATHS

LORD.—Entered into rest, Wednesday, May 27, 1914. GEO. C. LORD, aged fifty years. Burial in Oakwood May 29.

"Gone, but not forgotten."

ETHOTREYER.—Died, at Notre Dame Convent, Baltimore County, Maryland, May 27, 1914, at 3:45 A. M. SISTER MARY ELIZABETH, of Notre Dame Convent. She leaves one sister, Mrs. A. B. Newheimer, of Baltimore, and one brother, Charles E. Ethotreyer, of Buffalo. She was also a sister of the late Sergeant Frank M. Kraft, of this city.

BAKER.—Died, at his residence, in Westhampton, Saturday, May 30, at 1:30 P. M. CHAS. BAKER, aged fifty-five. He leaves his wife and four children: Bessie L., Ethel L., Charles, Jr., and Mary. Burial in Riverview Cemetery.

HODGES.—Died, at her residence, 1414 Ross Street, Sunday, May 31, at 7:15 P. M. MRS. FENTON HODGES, aged fifty years. Burial at the residence to-day (Sunday), at 3 P. M. Friends invited.

HANCOCK.—Entered into rest, at 12:45 A. M. May 31, at the residence of 111-1/2 North Twenty-fifth Street.

Funeral notice later.

BARRY.—Died, May 30, at 8 P. M., at the Neurological Sanatorium, MARY A. BARRY, widow of Thomas A. Barry. Remains will be at 1306 Hanover Avenue, Monday, May 31, at 10 A. M. from Sacred Heart Church.

ATTEMPT MAY BE MADE TO RAISE WRECKED SHIP

[Special to The Times-Dispatch.]

Father Point, May 30.—One of the chief points of speculation here in connection with the sinking of the Empress of Ireland, is:

What arrangements will be made to raise the wreck or remove it from its present location, where it is a menace to navigation.

Besides getting many bodies, which are still in the water, what were crushed in the collision, there is another purpose for raising the wrecked steamer. It became a public nuisance.

A close patrol is being maintained about the wreck, not only to warn approaching ships, but also to prevent the possibility of a surreptitious expedition, equipped with diving outfits, which would have for its object the secret exploration of the wreck in search of the bodies and other valuables which are known to have been carried by many of the first-class passengers.

One way of disposing of the wreck are believed possible. One is to raise the liner by the use of caissons. In the same manner the battleship Maine was raised from the Havana Harbor. The other is to blow up the ship with dynamite. The latter course will undoubtedly be adopted only as a last resort, and after divers have been sent down to get the bodies, buttons and other valuables.

OBITUARY

Charles Baker.

Charles Baker, nearly 60 years old, died yesterday afternoon at 12:50 o'clock at his home in Westhampton. He was survived by four children: Bessie L., Ethel L., Katy W., and Charles Baker, Jr. The funeral will be held at 10 o'clock from the home, and interment will be in Riverview.

Major William W. Hains.

[Special to The Times-Dispatch.]

William Green, Va., May 30.—Major William W. Hains died at his home here this morning at 7 o'clock, after an illness of two weeks, aged seventy-three years. Funeral services will be conducted from the residence on Sunday afternoon at 2 o'clock, and will be concluded at Lakewood Cemetery, where the internment will take place.

John T. Lightfoot.

Fredericksburg, Va., May 30.—John T. Lightfoot, one of the most prominent citizens of Madison County, died at his home, Elm, in that county, last night, after a week's illness of pneumonia, aged fifty-two years. He was the father of Mrs. D. J. Boulware of this city, who had been summoned to his bedside, and was present when the end came. Mr. Lightfoot was twice married, his first wife being Miss Lucy, daughter of the late Major Horace Lacy, of "Chatham," by whom he had two children, Miss D. J. Boulware of this city, and Jack Lacy, of Ohio. His last wife, who survives, was Miss Lily Lightfoot, daughter of the late Jerry Garnett, of Madison, by whom there are two surviving children. The funeral will take place on Sunday from Crooked Run Baptist Church, with services conducted by Rev. and Mrs. L. W. Lightfoot. He will be in the family burying ground at Elm.

IN MEMORIAM

PURYEAR.—In loving remembrance of my dear uncle, B. PURYEAR, who died May 29, 1914.

The midnight stars are beaming
Where sleep without dreaming
The one we could not save.

Heaven retaineth now our treasure,
Earth the lonely casket keeps,
And the angels love to linger
Where our dearly beloved one sleeps.

By his niece,
ETHEL.

ROBINSON.—In loving remembrance of our dear mother, MORRIS FORD ROBINSON, who departed this life one year ago, May 29, 1913.

"Peace, perfect peace."

LANDING OF ARMS PASSES INTO REALM OF DIPLOMACY

Protest Against Heavy Fines on the Ypiranga and Bavaria Will Be Made Immediately.

Vera Cruz, May 30.—The landing of war munitions for Huerta from the Hamburg-American liner Ypiranga and Bavaria passed into the realm of diplomacy late to-day, when both ships were granted clearance by the collector of the port, Captain Herman O. Stickney, after Carl Heynen, general agent in Mexico of the company, had signed a bond covering the fines assessed against the steamers under the collector's interpretation of the Mexican navigation laws.

Captain Stickney holds that diverting to Puerto Mexico the shipments consigned to Vera Cruz was a direct violation of the laws, and a fine of twenty pesos on each package landed was assessed against the ship's master. The total fines amount approximately to \$200,000 in gold.

Heynen holds that the Mexican laws and the proclamation of May 13 issued by President Huerta, declaring Vera Cruz a closed port and Puerto Mexico open for Vera Cruz cargoes was ample justification for diverting the shipments.

Collector Stickney refused to discuss the case.

Heynen to-night declared no steps had been taken to protest the fines, but he expected to do so immediately through the German consuls in Mexico, assuming that the matter will be taken up by the Washington and Berlin governments.

No Orders to Land Arms.

New York, May 30.—The New York directors of the Hamburg-American Line made public to-night a cablegram from the Hamburg directors of the line, conceding press reports about the landing of arms at Puerto Mexico by their steamers Ypiranga and Bavaria.

"We have no understanding of any kind with the United States government about the landing of arms in Mexico," the cablegram read. "Our agents and captains have received instructions always to follow the orders of the United States authorities. No directions or orders have been issued from here to land the arms at Puerto Mexico. We do not believe our agents would act contrary to the positive wishes of the United States authorities."

Making public the cablegram, the New York directors said that the arms were landed at Puerto Mexico it can only be due to independent action on the part of our agents.

Schools Closing in Cumberland.

[Special to The Times-Dispatch.]

Cartersville, Va., May 30.—The Ashby Graded School closed a successful session with appropriate exercises Friday.

The Cumberland High School sermon was preached on Sunday by Rev. J. R. Taylor. The students gave a very creditable play on Tuesday, and the school exercises were held on Friday night.

Mrs. Rinehart, of Richmond, and Mrs. G. Garrett, of Cartersville, gave a concert at Hamilton High School on Friday night.

Parades in this section are late planting corn, due to dry weather and inability to plow under German clover. The early high crop is almost a total failure, and here's grass hay will not be much raised. There is rain within the next few days.

HELD UP FOR SPEEDING

Maryland Officials Halt One of White House Automobiles.

[Special to The Times-Dispatch.]

Washington, May 30.—Mrs. Margaret Wilson, daughter of the President, accompanied by two other women, one of whom is said to have been Mrs. Francis B. Sayre, were held up for speeding while riding a White House automobile in Maryland, and also arrested by a Maryland state trooper. The car was stopped by sheriffs. They notified the chauffeur that he had been driving twenty miles an hour. The speed limit is less than twelve. As soon as it was ascertained that it was the President's car the chauffeur was allowed to proceed to Washington.

Commissioner Row, State Automobile Commissioner, is going to take the matter up with the President to-morrow.

QUEEN OF DENMARK HAS PASSION FOR HATS

London, May 30.—The Queen of Denmark had twenty-five hat boxes inspected in her luggage by a recent visit to London, and while she was here her collection of hat boxes was considerably augmented.

Queen Alexandra has a perfect passion for millinery, which she has indulged in for years, but now she admits herself captivated by the originality and distinction of the headgear she inspected in London.

The wonderful fashions wore when she and King Christian went to the city dejeuner at the Guildhall was housed in Dover Street, and the apparel on it cost \$1,500.

CONSIDER SLATE FOR REVISION COMMISSION

Supreme Court to Name Three Lawyers, From Whom Three Will Be Selected.

It is expected that the State Supreme Court of Appeals, when the members of that court gather in Wytheville on Tuesday for the regular term in the Southwest, will take up formally the consideration of the slate to be recommended to the Governor for the Code Revision Commission authorized by the recent General Assembly. The act creating the commission does not become effective until June 19, and no recommendations will be made to the Governor by the court until that date.

The act provides that the Supreme Court is to present to Governor Stuart the names of ten lawyers of the Virginia who are qualified, in the opinion of the court, to perform the difficult duties to be exacted of the Code Revision Commission. The Governor will then select from this list three men whom he will appoint to compose the commission. Each of the three commissioners is to receive \$5,000 for his services. It is estimated that the work will require two years for completion so that the commissioners will be remunerated at the rate of only \$3,000 annually.

Were it not for the honor carried by the appointment to the commission, it is estimated that the Governor would experience difficulty in finding three lawyers qualified for such a task who would be willing practically to abandon private practice for two years. The retention of legal precedence, which appointment to the commission will carry, however, is making the commission a coveted place in the eyes of the Virginia bar.

There is absolutely no indication of the identity of the ten men who are to be recommended to Governor Stuart by the Supreme Court. Speculation has, of course, been rife, but there have been no crumbs of information dropped from the Supreme Court upon which to base prophecies. While the Supreme Court always follows the orders of the Governor in the consideration of the appointments in an official way yet, it is natural to suppose that the individual members of the court have pretty well reached personal decisions in the matter.

While the Wytheville term is in session the members of the court will confer in the selecting of the ten attorneys and will presumably arrive at definite conclusions before June 19.

WHITE RIBBON DAY

June 12 Designated by W. C. T. U.

"White Ribbon Day" will be observed in Richmond on June 12, when ten stations will be established in all sections of the city and literature distributed by members of the Woman's Christian Temperance Union.

Attractive souvenirs of the occasion, which is also the annual special contribution day, will be given away. Boxes for the reception of voluntary donations will be placed at each station, and the money received will be used principally in the "flower mission" work. This charity consists of caring for the sick and unfortunate. Primarily the object of "White Ribbon Day" is to inform the public of the international, national, State and local work of the Woman's Christian Temperance Union.

The quarterly bi-county convention of the Woman's Christian Temperance Union will be held in the Grace Street Baptist Church on Tuesday morning at 10 o'clock.

ENTER SWEEPING DENIALS

Officials of Suspended American Naval Stores Company on Stand.

Savannah, Ga., May 30.—The case of the four officials of the suspended American Naval Stores Company, who have been indicted by a Federal court for nearly a week on an indictment returned six years ago, charging violation of the Espionage laws, probably will be concluded by Monday night.

James Grubb to-day took under advisement the motion of the defense to direct a verdict of acquittal. If he refuses the motion, argument will begin on Monday morning, and be concluded by afternoon, after which the case will be given to the jury.

The motion was made after Edmund S. Nash, president of the American Naval Stores Company, S. J. Shott, chairman of the board of directors, and J. E. Cooper Myers, vice-president, had entered a plea of not guilty to the charges against them. Carl Moeller, the fourth defendant, testified yesterday.

SMALL TOBACCO SALES.

Dry Weather and Scarcity of Weed Make a Very Bad Market.

The leaf tobacco market here has almost nothing to do during the past week. There is not more than 20,000 pounds of the leaf tobacco in the hands of the farmers to be sold on this market, and the dry weather has made it more absolutely foolish the marketing of it. That the only attempts that were made at auction sales last week occurred on Friday, and then only a few piles were sold for \$1.00 per pound.

If the farmers get a "season" for handling what is left of last year's crop they will bring it all to market in the next few days. They would have had it here before now had it not been for the 20,000 pounds, more or less, that may be yet to come in of the barn-cleaning kind, and will not create any stir in the market when it does come.

Official Call for Strike.

Charleston, W. Va., May 30.—An official call for a strike of coal miners along the Kanawha River, Paint and Cabin Creeks and Coal River, was signed to-day, the strike to be effective Monday. About 12,000 men are involved. The call was signed by district officials of the United Mine Workers.

Health Depends on Kidneys

Whole System Suffers if They Are Deranged.

Health is an absolute impossibility when the kidneys are out of order. The explanation is simple. Life cannot be lived without waste. The blood sweeps through arteries and veins, supplying vitality to every organ and part, gathers up the waste matter and carries it to the kidneys. The kidneys are a filter, and it is their office to strain from the blood all the poisonous deposits and to pass them on to the bladder for expulsion. When any part of the kidneys is inflamed, the purifying process is interfered with, and the blood is impure. The impure blood and veins are clogged with poisonous matter. If you are troubled with pains in the back, dizziness, aching joints, nausea, or other symptoms of kidney disease, you should not lose a moment in testing Warner's Safe Kidney and Liver Remedy. It is considered by many physicians to be an excellent remedy in the treatment of diseases of the kidneys, the tissues, scrofulous inflammation, and irritation, awakens the torpid liver, cleanses the blood, and will give you that sense of well-being which attends perfect health. A standard remedy for 37 years in the relief of thousands. At all druggists in 50c and \$1.00 sizes. A free sample and other valuable information if you write Warner's Safe Kidney and Liver Remedy Co., Dept. 258, Rochester, N. Y.—Adv.

SPRING SICKNESS COMES TO EVERYONE

Spring sickness comes in some degree to every man, woman and child in our climate. It is that run-down condition of the system that results from impure, impoverished, devitalized blood. It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption. The best way to treat spring sickness is to take Hood's Sarsaparilla. Ask your druggist for this all-the-year-round medicine. It purifies, enriches and devitalizes the blood.

DROPSY SPECIALIST

Usually give quick relief, have entirely relieved many seemingly hopeless cases. Swelling and short breath soon gone. Often gives entire relief in 10 to 25 days. Trial treatment sent free.

Painless Dental Work

Our patrons often ask: "How are you able to charge low prices for such beautiful dental work?"

The answer is: There is a large profit in dental work, and partly because we prefer a large practice at small prices to a small practice at large prices, and partly because the combination of several men in one office minimizes expense. Also, by supplying our different offices we buy an immense lot of teeth, gold and other dental supplies, thereby saving a large discount. Therefore we can, by doing dental operations PAINLESSLY and in less time, turn out the best dental work at moderate cost.
